Powerful Pint-Sized Purification for Prudent People

Now, we're very pleased to introduce our new zone purifier for troublesome areas like near the kitchen garbage bin or in the bathroom. Quiet production of scalable purification, an attractive green status light, and simple controls set this unit apart from other small area purifiers on the market. Don't forget to join our conference call tonight (see below) to hear all about this fantastic new product in our growing line of indoor environment purifiers!

Specifications:

Model Number: GT50

Rating Voltage: 110V AC - 60Hz

Power Consumption: Less Than 7W

Weight: About 0.4 lbs (180g)

Coverage: Up to 50 sq. ft (15 sq. m)**

** Depending on environmental factors such as air movement, humidity, temperature, and severity of pollution.
